

You've
been

Booed!

A neighbor has left something for you,
a special treat that's called a "BOO!"

Hang your "boo" sign where it can be seen
& leave it up until Halloween.

Let's keep the fun going, here's what you do,
create a little gift for 2 neighbors from you.

Visit 2 houses that haven't been booed,
with some sweet treats, be sure to include
two copies of this & nothing more.

Ring the bell & run from their front door!

Happy Halloween!
